PROFESSIONAL SUMMARY

Passionate Full Stack Developer with experience in Laravel, Angular, Express.js, Tailwind CSS, and Ionic Angular. Skilled in building secure RESTful APIs, responsive web interfaces, and cross-platform mobile applications. A fast learner with strong problem-solving skills, eager to contribute to innovative projects while continuously growing as a web developer.

PROFESSIONAL EXPERIENCE

Computer Programmer II – Full Stack Developer
Department of Social Welfare and Development
Walang Gutom – National Program Management Office | January 2026–Present

- Develop and maintain web and mobile applications using Angular, Express.js, and Ionic Framework.
- Build RESTful APIs and manage MySQL databases to support application functionality and data processing.
- Collaborate with the development team to troubleshoot issues, optimize system performance, and deliver reliable solutions.

Administrative Aide III – Back-End Developer
Department of Social Welfare and Development
Walang Gutom – National Program Management Office | August 2025–January 2026

- Developed and maintained backend services using Express.js and TypeScript to support application features and business logic.
- Designed and developed RESTful APIs and managed MySQL databases for efficient data storage, retrieval, and processing.
- Collaborated with the development team to debug, test, troubleshoot, and optimize backend services for improved system reliability.

Intern – Back-End Developer
Department of Social Welfare and Development
Walang Gutom – National Program Management Office | May–July 2025

- Developed and maintained backend features using Laravel and PHP.
- Developed RESTful APIs and worked with MySQL for database management and data processing.
- Assisted in debugging, testing, and improving backend functionality in collaboration with the development team.
